## • UKRAINE IN TURMOIL

'Fear not, for I am with you... I will say to the north, 'Give them up!'  
Isaiah 43:5-6

The eyes of the world have been turned to the lands North of Israel as unrest grips Ukraine. This is where the operational work of Ebenezer began years ago and Alan Field, CEO, states "This is a spiritual battle even more than it is a political struggle. Therefore... we must earnestly pray and intercede for Ukraine and for the Jewish population".

© PA in collaboration with Sword Magazine.

## • PLEASE PRAY FOR:

- 1 Protection over our teams in the former Soviet Union, especially Ukraine at this time of instability.
- 2 An awakening and a sense of urgency amongst the Jewish people that now is the time to return home to the land of their forefathers.
- 3 Local believers and churches in the FSU as they draw alongside the Jewish communities.
- 4 Opportunities for aliyah to arise out of the turmoil in Ukraine and for the routes to Israel (aliyah highways) to remain open.

Shirley giving out aid in Israel.

## COMFORT, COMFORT MY PEOPLE

**“They will live in the land I gave to my servant Jacob, the land where your ancestors lived. They and their children and their children’s children will live there forever” — Ezekiel 37:25**

Making aliyah is a huge step and our office in Jerusalem is there to support, encourage and assist olim (those who have made aliyah). During our international conference last November, members of the Engage team met some olim from the USA. They were all university graduates and all struggling to find work in their field, but they boldly proclaimed that Israel was their home, they loved their lives there and would not be returning to the States!

Sharing about Aliyah by the distribution of aid.

## PLEASE PRAY FOR:

- 1 Shirley and Iris in our Jerusalem office as they draw alongside the olim.
- 2 Olim, who continue to arrive from all over the world, to successfully settle in Israel.

- 3 Wisdom and discernment as the work in Israel expands inline with the increase in aliyah.

## ENGAGE ACROSS THE GLOBE

Praise God for all the opportunities to share and for those who have been impacted by the ministry! May the Lord’s hand be upon its global expansion as we move forward.

Please pray for all the exciting things arranged for 2014 (see [www.engage-israel.org](http://www.engage-israel.org)); that they would be an instrument to help young adults understand God’s plans for His people and their land.

Also pray for the Lord’s calling upon those He wants to attend Engage:Israel, for funding and for travel visas where necessary — remembering especially Guatemala, Russia and India.

**Katie, South East Asia:**  
A conference was held for Bhutanese youth in February. There were around 165 people there! **Pray that the seed sown will take root and grow**, and that these students will receive a full revelation from the Holy Spirit. (Matt 13:23) **Please also pray for representatives throughout the SEAO region** — that the Lord would stir amongst our generation and raise up those who are called to stand with Him and with His people.

**Jana & Judith, Germany:**  
We ask for God’s timing, protection and strength for all that lies ahead and for open doors. Please pray for meetings that will take place this month and for planning for future months.

**Niki, Australia:**  
Please pray the Holy Spirit would pour out revelation on the next generation and that they would be awakened to what He is doing regarding Israel and aliyah. Pray that the Lord would continue to open up opportunities for us to reach the next generation.

**Jeanie, South Africa:**  
Please pray for **opportunities to motivate young adults** — that they would get involved with Israel, join the next engage tour, participate in their areas, stand up for and teach people about Israel and aliyah.

**Geri, France:**  
Engage: France is growing rapidly! Please pray for a meeting taking place in May; that the Lord would call all those He wants to attend and that He would use this time to strengthen the work in France.

**Melissa, USA:**  
The very first Engage conference will be happening in Columbus, Ohio on Saturday 26<sup>th</sup> April! Pray for all those the Lord would have attend to be there and that He would reveal His purposes for these days.

**Maria, Argentina:**  
Please pray for revelation within the church, so that they participate in the restoration of Israel. May this door be opened so that young adults become involved and committed to the Lord’s purposes for this time.

**A Christian ministry helping the Jewish People to return to Israel**
